Borrego Valley Ranch, (BVR) is a 36.5 acre horse ranch surrounded by the beautiful Anza-Borrego State Park.

We provide full service horse boarding on a daily, weekly or by the month basis. Our 24' X 24', 3/4 covered, pipe shed row stalls provide ample room for your horse's comfort. Our individual, private tack-rooms give you the peace of mind for the safety of your tack.

Our facilities include two large riding arenas, three wash racks (1 covered), five round pens, six hitching rails and several turn-outs. The shaded picnic area and barbeque is a great place to meet your horse friends and hang out. The surrounding area features unlimited riding trails and many canyons and mountain trails are a short trailer ride away, including the California Riding and Hiking Trail.

Horses are fed alfalfa and/or Bermuda hay in rubber tubs on rubber mats to reduce sand and dirt ingestion.

We also offer breeding to our American Quarter Horse stallion "Skip Legacy".

Beginner and intermediate Horsemanship and Riding lessons are available by appointment.
